

BUSINESS ANALYSIS INTERNSHIP @AVON

BUSINESS ANALYSIS DEPARTMENT IS A PLACE WHERE:

- Business models (discounts and commissions) for Avon clients and sales people are created and improved;
- Various analysis to support business and sales decisions are made;
- Reports are created;
- Commissions to sales people are calculated.

DURING YOUR INTERNSHIP YOU WOULD:

- Track how new business models are working, figure out what are the reasons of models working differently than expected, and what are the needs for improvement;
- Perform analysis and if needed create new report/-s based on field's and other departments' needs;
- Generate new ideas how to make business models more relevant and attractive;
- Be an equal team member whose opinion and work is valued and respected.

WE EXPECT FROM YOU:

- Analytical thinking and interest in analytics;
- At least basic Excel knowledge;
- Good English language skills;
- Can-do attitude and independence.
