„Every year we select two teams of auditing interns and specialists for „PwC“ Auditing department. In 2018/2019 we employed 30+ specialists and 20+ interns.

In a year, the members of our team learn about the performance of 20+ companies and receive 100+ hours of professional methodical auditing training. 1 year at „PwC“ amounts to 2-3 years in any other company. „PwC“ values the graduates of Vilnius University Faculty of Economics and Business Administration because of the fundamental knowledge in accounting, auditing, financial analysis and economics that they receive during their studies, and also because during their study projects they learn how to achieve the best results while working in a team.

Accounting and auditing specialists, who grow up in one of the best universities for this study profile, are able to quickly adopt new knowledge, adapt to the dynamic and fast-paced job at „PwC“, as well as navigate the Lithuanian and global business market.”
