

GLOBAL BUSINESS and ECONOMICS

MASTER IN BUSINESS MANAGEMENT

2 years, ON-CAMPUS

Tuition fee: **5460 Eur** per year

ABOUT THE PROGRAMME

This programme equips you to tackle the strategic challenges facing businesses in the global economy. You will gain the ability to maintain a strong strategic position in global markets, lead organizations through continuous change, and work effectively in diverse, intercultural environments. You will develop a deep understanding of business processes and apply economic knowledge to make informed decisions grounded in global practices.

WHY CHOOSE THIS PROGRAMME?

- You will study in an international environment, meet peers and potential business partners from different continents.
- You will be inspired by practitioners and experienced professionals from Europe and America.
- You will integrate theoretical knowledge and practical skills.
- **Opportunity for a double-degree diploma with Parthenope University of Naples (Italy) and the University of Parma (Italy)!**

EVENING STUDIES

Evening Studies for
Work-Life Balance

Being a graduate of Global Business and Economics programme I can honestly say that the theoretical and practical foundation of understanding the business management is created successfully. This programme is a really great opportunity for the multicultural study experience and a great opportunity to learn from different professors who come from different parts of the world. I am really proud and honored to be a Vilnius University graduate and I would highly recommend to anyone planning to apply for this programme and VU in general.
