# Accounting and Auditing

Aim of the study programme – to prepare qualified specialists in the field of accounting, auditing, taxes, as well as company performance analysis, planning and evaluation, who are able to formulate accounting information and systematically evaluate data; to introduce the mechanisms of audit organization and performance, allowing students to creatively apply the gained knowledge.

## PROGRAMME OVERVIEW:

- > this programme is the most job market-demanded programme in Vilnius University, where experienced lecturers, professors and business representatives provide fundamental theoretical and practical knowledge, help to gain a wide range of competences required for becoming a well-paid specialist and choose the opportunities of career growth and development, as well as choose the type of business and job position in a structure of an organisation;
- > you can study at other universities abroad for up two years: one year – with Erasmus+ programme, and the second year – with bilateral agreements in Australia, USA, Korea and other countries;
- > there is a possibility to do minor studies of Chinese language and culture, as well as Russian language and culture.

## CAREER OPPORTUNITIES:

- > Accounting/Tax Junior Assistant, Bookkeeper, Accountant;
- > Financier, Finance Analyst;
- > Auditor Assistant, Auditor, Internal Auditor.

## ORGANISATIONS:

Ernst & Young Baltic

PricewaterhouseCoopers

Klynveld Peat Marwick Goerdeler

Deloitte Touche Tohmatsu Limited

LTD „Finance United“

„Every year we select two teams of auditing interns and specialists for „PwC“ Auditing department. In 2018/2019 we employed 30+ specialists and 20+ interns.

In a year, the members of our team learn about the performance of 20+ companies and receive 100+ hours of professional methodical auditing training. 1 year at „PwC“ amounts to 2-3 years in any other company. „PwC“ values the graduates of Vilnius University Faculty of Economics and Business Administration because of the fundamental knowledge in accounting, auditing, financial analysis and economics that they receive during their studies, and also because during their study projects they learn how to achieve the best results while working in a team.

Accounting and auditing specialists, who grow up in one of the best universities for this study profile, are able to quickly adopt new knowledge, adapt to the dynamic and fast-paced job at „PwC“, as well as navigate the Lithuanian and global business market.”

**Rasa Radzevičienė,**

„PwC“ partner, head of the Auditing department

90 %

10 %

- Number of employed students six months after graduation in Lithuania.
- Lithuanian graduates who are pursuing a Master's degree or are self-employed, leaving to study/work abroad, etc.
