Currently we are looking for:

## ***Audit Associate***

### The role:

- Starting from September 2018, you will become a team member of smart and intelligent colleagues. Working in a truly **international, dynamic** and **high quality** standards based environment.
- Your tasks will be: conduct audits of the financial statements of our clients using our innovative auditing methodology supplemented with control environment reviews and corporate reporting.

### What's in it for you:

- You will undergo an intensive induction program, with a **coach** and a **buddy to help** you integrate, develop and perform
- You will be automatically enrolled in consistent and **high quality training programmes**, giving you the opportunity to develop all the technical and business skills you need in your work and to receive globally recognized certifications, such as ACCA
- You will develop your awareness and leadership skills through **soft-skills training programme**
- You will be part of a team of **talented** and **experienced professionals**, with access to an integrated international library of information, and get involved in challenging and complex assignments
- You will get the chance to take part in meaningful **social activities** and **various engagement projects**
- You will work for a diverse range of clients from different industries. Your team members come from diverse backgrounds, so you will have the chance to learn from them and **achieve progress** in your career development
- From your very first day, your **work** will be **meaningful** as our purpose is **to build trust in society and solve important problems**

### What we are looking for:

- A recent university graduate or student in the final year of studies
- Ambitious and motivated for personal and professional development
- With basic knowledge of key accounting principles (would be considered as an advantage)
- Proactive and effective team-player with good analytical skills
- Fluent in English and Lithuanian

***Apply no later than by 13 June***
