JOIN OUR 2022 VIRTUAL CAREERS FAIR WHERE THE FUTURE OF FINANCE IS READY FOR YOU

Looking to fill job vacancies in your home country or in the region? Taking part is easy and free of charge to gain access to finance talents in the European Union. The information below should provide everything you need to know about getting your organisation on board for 2022.

HOW TO TAKE PART

Simply confirm your participation by completing this [form](#) and we'll supply you with the next steps to create your branded booth. We'll provide help if needed, or connect you with our platform technicians. Work with us to list your live vacancies, for free, on ACCA Careers using our intuitive guide. You'll get access to our resumé/CV database so you can make event-day appointments with potential candidates.

THERE ARE NO COSTS TO YOUR ORGANISATION

Both your participation at the event, and listing vacancies on ACCA Careers, are completely free.

EVENT ACCESS AND TECHNICAL HELP

We'll send you access details in advance. 24-hour technical support is available from vFairs with dedicated contacts to ensure your virtual experience runs smoothly.

POST EVENT COMMUNICATION

We'd like you to share your experiences with us and let applicants know if they have progressed to the next stage or not. We'll send you a survey a few weeks after the event, but most importantly, the biggest area of feedback we get from our members and students is that they don't hear from employers following an application, so any contact from you is greatly appreciated.

CONTINUOUS PRESENCE ON ACCA CAREERS

You can continue posting your vacancies for free, on ACCA Careers, the world's largest industry-specific job board.
