

Norne Securities AS is an investment bank established by 14 Norwegian Savings Banks. We have offices in Bergen, Oslo and Vilnius. Our services include:

- Assisting companies in raising financial capital (IPOs, secondary offerings, bond issues etc.)
- Participating in mergers and acquisitions (M&A)
- Providing liquidity (market making)
- Trading in equities, bonds, warrants and other financial instruments
- Investment recommendations on stocks listed on the Oslo Stock Exchange
- Setting credit ratings for Norwegian savings banks

We are Norway's second largest distribution channel with access to 1.6 million private and corporate clients and close to 30.000 online trading customers. Our owners represent over 200 billion Norwegian kroner in assets under management.

Internship in Vilnius Branch

We are looking for responsible, ambitious and talented students to join our research team in Vilnius for internship.

Assignment:

- Active involvement in a comprehensive update of credit ratings for the Norwegian savings banks
- Other ad hoc tasks, such as assisting analysts in equity research, participation in corporate finance projects etc.

We offer:

- Valuable job experience in an international investment bank
- Insight into the credit rating process and analysis of the banking sector
- Opportunity to learn from finance professionals
- Possibility to start a career in investment banking

Requirements:

- University studies in exact sciences, finance or economics
- Good skills in MS Excel
- Accuracy and thoroughness in working with large amounts of data
- Analytical thinking
- Good command of the English language
- Interest in financial markets

Please send your CV to the Head of Vilnius Branch, tomas.skeivys@norne.no or call +370 52 46 19 62 if you have questions regarding the position.
