

"Visma is a company of discovery, a place where people reveal their talents."

## Visma is hiring IT Recruitment Assistant

Visma is a multi-national company in strong growth. If you have the talent and drive to succeed in one of the most exciting businesses in Northern Europe, we would love to hear from you. We are expanding our business and looking for IT Recruitment Assistant who will help us to source technical positions within the Visma companies.

### What's it all about?

Daily communication with Scandinavian colleagues to define the candidates' profiles for each recruitment.

Searching for potential candidates through direct channels, social media, Internet sourcing.

Administrating candidates through recruitment process in applicant tracking or other recruitment systems and helping with other daily sourcing tasks.

### What do we offer?

Great opportunity for young person to start career in recruitment area.

Possibilities to gain valuable recruitment knowledge on international level.

Exciting challenges in one of Scandinavia's largest IT environments and investment in your professionalism.

### What do we expect?

Willingness to work in IT recruitment area.

Fluent English skills.

Previous experience in relevant area would be an advantage.

Working knowledge of applicant tracking systems or other recruitment technology would be an advantage.

### What else should you expect?

Talented and highly motivated colleagues working on all kinds of challenging and exciting projects.

Fun environment, regular team buildings, hobby clubs, Kudos points, pizza Fridays and much more.

Visma is a Nordic company with more than 6700 employees in Scandinavia and Northern Europe. In 2011 Visma established a new office in Vilnius and has been steadily growing ever since. Learn more about us at [www.visma.lt](http://www.visma.lt)
