

**If a path doesn't exist,
create your own.**

What impact will you make?
jobs.deloitte.com

In the fast-changing and increasingly technology-focused environment that we now live in, **Deloitte audit** team will give you a chance to gain a real insight in the world of business and get real **once-in-a-lifetime** work experience in one of the biggest projects this year in **financial services sector**. Currently we are looking for highly motivated, ambitious, trustworthy and "make it happen" attitude interns to join our team. This is an opportunity to get an inside look at what it's really like to work for a professional services organization!

Interns

Audit and Advisory

Location: Vilnius

You possess the following skills

- Graduates or last year students in Economics/Finance/Accounting/Mathematics/Engineering;
- Strong interest in audit and financial analysis;
- Strong verbal and written communication skills in both Lithuanian and English;
- Proficiency in MS Office;

- Motivated self-developers and quick learners;
- Ability to work both independently and as part of a team with professionals at all levels;
- Willingness and ability to travel out-of-town.

What you can expect from us

- Friendly and challenging environment where **personal development** and

growth are encouraged;

- Be full time full scale **full value team** members in a project, results of which will be visible and will **shape the future** of the Lithuanian financial services sector;
- Fixed 3 months **paid** internship contract with opportunity to continue an **accelerated** career path in Deloitte.

If you have the right attitude and you are ready for a challenge in a dynamic organization please send your CV and cover letter in English to LTjobs@deloittece.com. We thank all applicants in advance for their interest; however, only those candidates selected for an interview will be contacted.
