

LAUNCH YOUR CAREER TODAY

BECOME A LEADER IN JUST 12 MONTHS

The smart way *forward*

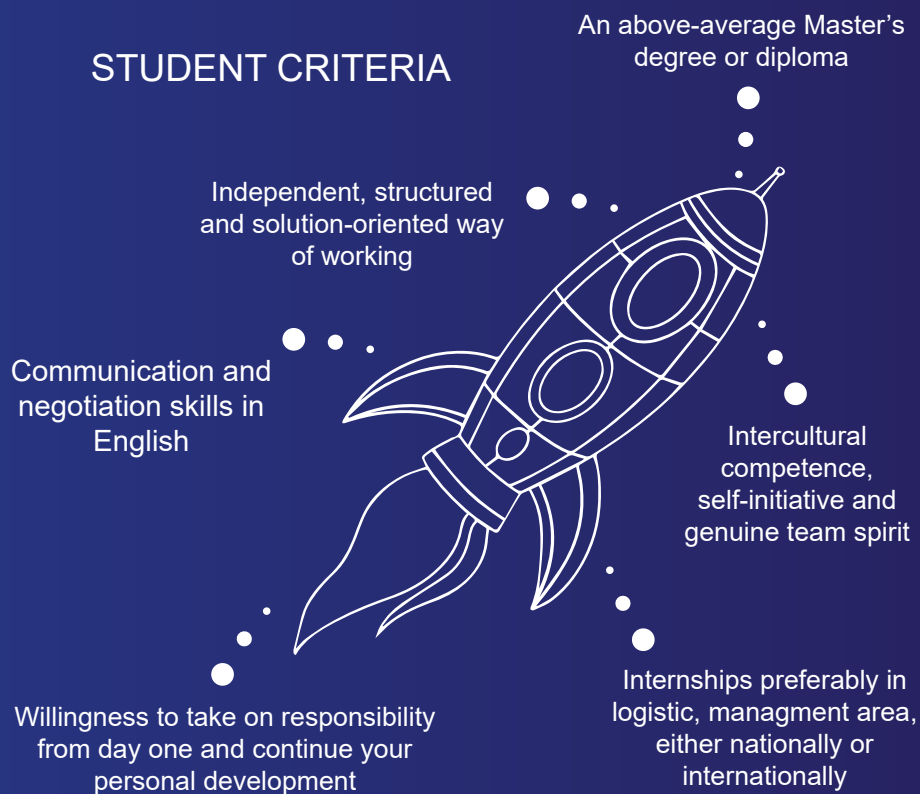

Our vision is to provide students with a platform to fast track your career with one of the largest international freight forwarding companies in the Baltics.

At Delamode Baltics we employ and develop the best students after a successful internship. Did we mention that our internship scheme was recently named the 3rd best in Lithuania by Delfi and the Ministry of Education and Science!

Workplace education and shadowing will give you a chance to try your preferred roles of interest and become a capable leader, providing ideas and insights for company development within just 12 months.

If succesful, you will manage projects and make decisions that have a tangible influence on the strategy and performance for the entire company. There will also be opportunities to travel to other Delamode offices within Europe.
